

Project Title: GAD (The Fortune of Garden of Art Design contemporary avant gard)

Programme: Culture 2007/2013

Coordinator: Deadiz Zografou (Greece)

Municipality of Florence: Partner

Reference Unit: Department of Environment

Budget: € 400.000,00

Status: Completed

Opening date: 01/11/2008

Closing date: 31/10/2010

Submitted: 2007

Partnerships: Municipality of Florence, Ayuntamiento de Sevilla (Spain) and City of Tallin (Estonia)

Objectives and activities: This project aimed to develop the complex interaction between public garden design and contemporary art, for the enhancement of knowledge, skills, and intelligence in the four partner countries. This interaction was composed to use both subjects in an innovative approach to create public gardens that contain both the design of green spaces and visual arts, in order to produce public spaces where art and nature coexist.
