

Project Title: PLACES

Programme: VII PQ

Coordinator: ECSITE

Municipality of Florence: Supporter

Reference Unit: European Projects Unit

Budget: € 2.000.000,00

Status: Completed

Opening date: 01/07/2010

Closing date: 31/03/2014

Partnerships: 69 science centers, museums, festivals and events, each one carried out with the local authorities collaboration of the 27 European countries

Objectives and activities: The goal of this project was to establish and develop the concept of European City of Scientific Culture. Locally, a Pilot Activity, involving all existing local stakeholders and financed with a € 6,000,00 budget, was implemented in 2013, whilst this year a Local Action Plan was fulfilled for disseminating scientific culture.
