

Project Title: REPAIR (Realising the Potential of Abandoned Military Sites as an Integral part of Sustainable Urban Community Regeneration)

Programme: Urbact II

Coordinator: Medway Council (UK)

Municipality of Florence: Partner

Reference Unit: Department of Housings and Heritage Assets

Budget: € 611.350,00

Status: Completed

Opening date: 19/01/2009

Closing date: 18/07/2011

Submitted: 2009

Partnerships: Municipality of Florence, Hansestadt Rostock (FRG), Municipality of Kaunas (Republic of Lithuania), Municipality of Karlskrona (Sweden), Historic Prisons of Corradino (Pawla, Malta), National Project Bureau Nieuwe Hollandse Waterlinie (The Netherlands), City of Opava (Czech), City of Avrig (Romania), Département de la Charente maritime (France)

Objectives and Activities: This project entailed the exchange and dissemination of good practices regarding the sustainable urban development carried out by the socio-economic renovation of abandoned military heritage sites. The Municipality of Florence participated in this project by sharing the restoration case of the former prison Le Murate.
